All students are responsible for the information/regulations included in this handbook and are subject to all rules and policies set forth by the Verdigris Board of Education, State Department of Education and Oklahoma Secondary School Activities Association. These policies, penalties, procedures and rules will be administered in a spirit of consistency, fairness, and flexibility. All personnel hired by the Verdigris Board of Education are authorized to enforce these policies.

Activities (General)

1. Participation in school activities is a privilege, not a right, regardless of any fee, dues, payments or monetary deposits or expenses paid or incurred by student/parent/guardian.
2. All organizations and clubs will annually present a copy of their constitution and by-laws to the Principal, Athletic Director and the Superintendent for approval, before any activity is carried out.
3. Students must be eligible (see eligibility).
4. Students must be with a sponsor.
5. No student will be allowed in any school building, unless accompanied by a school sponsor at all times.
6. All fundraising for any school organization or any organization using school facilities or on school premises must have written approval from the building principal, the Superintendent and School Board.
7. All school sponsored activity trips must be approved through the administration.
8. All buses needed will be scheduled through the Transportation Director.

Activity Trip Transportation Policy: Unless a time conflict exists between school activities, students will ride to and from activities in school transportation. The only exception to this policy is for a student to ride home with his/her own parents/guardians with **prior** approval being given by the director of the activity. If they arrive by other means or if they leave by other than the approved means, he/she may be suspended from participating or attending the next activity.

Arrival/Dismissal

Elementary School doors will open at 7:45 AM at the ECDC and 7:50 AM for the Lower and Upper Elementary for students to enter the building.

Teachers will report at 7:45 AM. Students on school grounds before the school opens will be unattended and will not be the responsibility of the school. It is important that students not be left at school unattended.

School is dismissed at 3:10 PM. Students who are picked up by parents will wait for their name to be called in the parent pick up car lines. Bus Riders will go to their designated areas.

Students who leave school before regular school dismissal, must be signed out by a parent/guardian in the office. This sign out rule applies even though a student leaves school at lunchtime and is not returning that day. If a student is leaving with a person other than the parent/guardian, the parent/guardian must call the office, identify and give permission for the person that will pick up the student. An ID of the designated person given permission will be required.

Assemblies

Assemblies are a valuable learning experience. Students have a very special obligation to practice common courtesy and to show respect for others during these events. Attending assemblies is a privilege—not a right.

Attendance & Absences

State law requires that all pupils be in school until the age of 18 years of age. Failure of parents or guardians to provide the student the opportunity to attend school is punishable by law. Should the student be absent 10% of any school year, the parents/guardians may be referred to the appropriate authorities for prosecution under current Oklahoma statute.

The school board in conjunction with the State Department of Education maintains the level of attendance for a student should be 90% in order to receive proper credit in a given course of study. This percentage is measured by each class period or AM/PM for grades that are self-contained.

Regular attendance is crucial for your success at school. To help ensure that students are attending school consistently, we have put the following attendance guidelines in place:

Attendance Letters

Students will receive an attendance letter if they have been absent 6% of days enrolled in a school year. This letter is a reminder of the importance of regular attendance and will outline any steps that need to be taken to improve attendance.

Excessive Absences

If a student reaches a 10% absence rate (which means missing 10% of the days enrolled in the school year), they may be referred to the appropriate authority, such as the district attorney or tribal government. This referral is to ensure that we are doing everything possible to support the student's education and address any underlying issues affecting their attendance.

We understand that there can be legitimate reasons for missing school, and we are here to support you and your family in any way we can. If you have any questions or need assistance, please contact the school office.

Although the attendance office monitors the absences of all students, it shall be the responsibility of the parents/guardians and students to keep track of the number of absences the student has.

**Make-up Work*

It is the student's responsibility to confer with the teacher and make arrangements for make-up work. The student will be given the same amount of time to make up work as the number of days absent starting with the first day missed. These days will be calculated on a daily basis. For example, work from the first day missed is due the second day the student returns. Teachers may require that certain pre-announced exams be made up on the day the student returns to school.

General Attendance Provisions:

1. **Any absence** from class will count toward the maximum of 10% allowed.
2. A transfer student will be held accountable for the absences they accumulated from their previous school.
3. Students assigned to in-school intervention are not considered absent.
4. Students must be in attendance one-half of a day in order to participate in school activities. Exceptions may be approved by the Principal.

Tardiness

A student is tardy if not in his/her chair in the classroom when the bell begins to ring at 8:10 AM. The appropriate authorities will be notified of chronic tardiness.

- ❖ The Morning Drop-Off line in front of the school will end at 8:08 AM to allow for students and teachers on duty to be in their room at 8:10 AM. The road blocks will be set in place at that time so parents/guardians need to plan accordingly to get through the line on time.
- ❖ Students who arrive late for class are to report to the office immediately upon arrival and pick up a tardy slip.
- ❖ If a student should be detained prior to going to class, by office staff or faculty, a note excusing the student from the person who detained them will be provided.
- ❖ Repeated tardiness will result in penalties which may require a parent, student, and principal conference.

Truancy

A student absent without the consent of the school and parent/guardian is truant. Work must be made up, and credit may not be given. The first offense may result in detention(s) or in-school intervention. Repeated truancy may be cause for further disciplinary action, suspension, expulsion, or legal action.

A student is *truant* if he/she:

1. Leaves school without signing out in the office.
2. Is absent from school without prior permission from parents or guardians.
3. Is absent from class without permission (skipping).
4. Obtains a pass to go to a certain place and does not report there.
5. Becomes ill and goes home or stays in the bathroom without reporting to the office.
6. Comes to school but does not attend classes.

Please be advised that Verdigris Public Schools complies with Title 21 Section 858.1 of Oklahoma Law that interprets chronic tardiness and absences as constituting truancy. Title 21 further states the school shall, "notify the parent, guardian or custodian of the child (of their chronic absences or tardiness) and report such absences to the District Attorney in the county wherein the school resides."

Backpacks

Backpacks, gym bags, or other carrying bags may be used to carry necessary school items to and from school and will be kept in the lockers. Be advised that all packs, bags, etc. are subject to random search.

Bell Schedule

1st bell - 7:45 AM (ECDC front doors open)
7:50 AM (LE & UE front doors open)
2nd bell - 8:10 AM (tardy bell)
3rd bell - 3:10 PM (dismissal time)

Bulletins & Announcements

All notices of club meetings, athletic and social events, general information of the day, and specific instructions are placed in the daily bulletin. Notices to be included in the daily bulletin must be pre-approved by the principal. Announcements to be sent home with students must be submitted for the principal's approval at least one school day prior to "Take Home Tuesday."

Bullying

It is the policy of this school district that threatening behavior, harassment, intimidation, and bullying of students by other students, personnel, or the public will not be tolerated. Students are expected to be civil, polite, and fully engaged in the learning process. Students who act inappropriately are not fully engaged in the learning process. This policy is in effect while the students are on school grounds, in school vehicles, at designated bus stops, at school-sponsored activities, and at school-sanctioned events.

Threatening behavior, harassment, intimidation, and bullying of students by electronic communication is prohibited whether or not such communication originated at school or with school equipment, if the communication is specifically directed at students or school personnel and concerns harassment, intimidation, or bullying at school.

Harassment is intimidation by threats of or actual physical violence; the creation by whatever means of a climate of hostility or intimidation; or the use of language, conduct, or symbols in such manner as to be commonly understood to convey hatred, contempt, or prejudice or to have the effect of insulting or stigmatizing an individual. Harassment includes, but is not limited to, harassment on the basis of race, sex, creed, color, national origin, religion, marital status, or disability. All harassment, intimidation, and bullying complaints will be investigated.

Harassment set forth above may include, but is not limited to, the following:

1. Verbal, physical, or written harassment or abuse
2. Repeated remarks of a demeaning nature
3. Implied or explicit threats concerning one's grades, achievements, etc.
4. Demeaning jokes, stories, or activities directed at the student
5. Unwelcome physical contact

Students can be hurtful to one another but not all of it is bullying. Conflict is a normal part of life. And, learning to deal with it helps students master the social skills they will need as adults. There are some distinct differences between bullying and peer conflict. Being able to identify these differences will help parents/guardians and teachers know how to respond. When a conflict occurs, both people involved have equal power in the relationship. And, while both people are emotional and upset, neither one is seeking power or attention. They just happen to disagree.

As used in the School Bullying Prevention Act, "harassment, intimidation and bullying" means gesture, written or verbal expression, electronic communication, or physical act that a reasonable person should know will harm another student, damage another student's property, place another student in reasonable fear of harm to the student's person or damage to the student's property, or insult or demean any student or group of students in such a way as to disrupt or interfere with the school's education mission or the education of any student. Harassment, intimidation, and bullying include, but are not limited to, a gesture or written, verbal, or physical acts, or electronic communications. Such behavior is specifically prohibited.

In administering discipline for harassment, intimidation and bullying, consideration will be given to alternative methods of punishment to ensure that the most effective discipline is administered in each case. In all disciplinary action, teachers and administrators will be mindful of the fact that they are dealing with individual personalities. The faculty may consider consultation with parents or guardians to determine the most effective disciplinary measures. Harassment, intimidation, and bullying are considered a level 6 or level 7 offense on the Disciplinary Point System and are worth 25-30 points.

In considering alternatives of corrective actions, the faculty/administration of the school district will consider those listed below. However, the school is not limited to these alternative methods, nor does this list reflect an order of sequence of events to follow in disciplinary actions.

1. Conference with student
2. Conference with parents
3. In-school intervention
4. Detention
5. Referral to counselor
6. Behavioral contract
7. Changing student's seat assignment or class assignment
8. Requiring a student to make financial restitution for damaged property
9. Requiring a student to clean or straighten items or facilities damaged by the student's behavior
10. Restriction of privileges
11. Involvement of local authorities
12. Referring student to appropriate social agency
13. Suspension
14. Other appropriate disciplinary action as required and as indicated by the circumstances which may include, but is not limited to, removal from eligibility to participate or attend extracurricular activities as well as removal from the privilege of attending or participation in the graduation ceremony, dances, class trips.

Verdigris Public Schools has a Board approved Bullying policy. You are entitled to a copy of the policy. If you would like to receive a copy of the policy, contact the superintendent's office at 918-266-7227. **This policy is also available on our school website at www.verdigris.k12.ok.us**

Bus Rules & Regulations

School buses are available to provide free and safe transportation between school and the student's home bus-stop. Any action, which jeopardizes the safety of students on the bus, will not be tolerated. Bus drivers will refer discipline problems to the building principal and students may forfeit riding privileges for misbehavior. A copy of the bus rules is available in the office.

Please observe the same conduct on the school bus as you would in the classroom. To keep Bus Privileges, follow these rules:

Previous to Loading (On the Road and At School):

1. Be on time at the designated school bus stops—keeping the bus on schedule.
2. Stay off the road at all times while waiting for the bus. Bus riders will conduct themselves in a safe manner while waiting.
3. Wait until the bus comes to a complete stop before attempting to enter.
4. Be careful in approaching bus stops.
5. Bus riders are not permitted to move toward the bus at the school-loading zone until the bus has been brought to a complete stop.
6. Bus students must get permission from a regular driver or principal before bringing a visitor who normally would not ride the bus.
7. There will be no food allowed on the buses engaged in field trips and activity trips unless permission is received from the driver.

BALLOONS AND/OR GLASS ARE NOT ALLOWED ON THE BUS—PARENTS SHOULD MAKE OTHER ARRANGEMENTS FOR STUDENT TRANSPORTATION IF BALLOONS AND/OR GLASS VASES ARE SENT TO SCHOOL.

While on the Bus:

1. Keep hands and head inside the bus at all times after entering and until leaving the bus.
2. Assist in keeping the bus safe and sanitary at all times.
3. Cooperate with the driver. Bus riders are expected to be courteous to fellow pupils, the bus driver, and assistant bus drivers.
4. Be courteous; use no profane language or gestures. Loud talking and laughing or unnecessary confusion diverts the driver's attention and may result in a serious accident.
5. Always remain seated properly – facing the front.
6. Do not be destructive or throw objects off/on the bus. Treat bus equipment as you would valuable furniture in your own home. Damage to seats, etc., must be paid for by the offender.

7. Bus riders should never tamper with the bus or any of its equipment.
 8. The bus driver has the same authority on the bus as a teacher in the classroom.
 9. Help look after the safety and comfort of small children.
 10. Horseplay is not permitted around or on the school bus.
 11. Keep all harmful items (drugs, tobacco, alcohol, weapons, etc.) off the school bus.
 12. Keep all food and drink off the school bus – no eating or drinking on the school bus. Activity trips are a possible exception to this rule – with teacher responsibility.
 13. Only those items that can be safely held in your lap or stored under the seat will be permitted on the school bus.
 14. Keep books, packages, coats, and all other objects out of the aisles.
 15. Keep absolute quiet when approaching a railroad-crossing stop.
 16. In case of an emergency, children are to remain in the bus until instructed to get off.
-

After Leaving the Bus:

1. When crossing the road, go at least ten feet in front of the bus, stop, check traffic, watch for the bus driver's signal, then cross the road.
 2. Students living on the right side of the road should immediately leave the bus and stay clear of traffic.
 3. The driver will not discharge riders at places other than the regular bus stop, except by proper authorization from the parent/guardian or school official.
 4. Students are not to go behind the bus at any time without prior approval of the bus driver.
-

POSSIBLE CONSEQUENCES FOR BUS RULE VIOLATIONS

- Verbal warning by the driver and/or student assigned a seat.
- Student is assigned a seat and given detention with parent contact
- Student Incident Report is sent to the principal who notifies the student's parents or guardian that his/her bus riding privileges are suspended. The length of suspension is determined by the violation.
- Minor bus misconduct is a level three on the Disciplinary Point System and worth 10 points.

SEVERE Bus Behaviors

Starting at a Level Four (15 points) on the Disciplinary Point System

A student will automatically be sent to the building principal if the student commits a violation of one of the following:

- Physically abuses another student – fighting
- Endangers the safe operation of the bus or safety of the passengers.
- Vandalism or destruction of school property.(ie: Bus-seats, windows, etc.)
- Accumulation of 3 warnings
- Drugs
- Guns

Cafeteria

Cafeteria meals are available for breakfast and lunch: Prices per meal for Elementary students are \$2.00 for breakfast and \$3.35 for lunch. Prices per meal for Jr. High and High School Students are \$2.25 for breakfast and \$3.60 for lunch. Other meal options may be available for a different price. If a household has more than one child attending the Elementary School,

a family meal account can be set up to cover all household elementary children only. High School and Junior High School students must be carried on separate accounts. Meals must be paid for in cash or checks made out to Verdigris Schools.

Student meal accounts are electronically scanned into the computer system daily to confirm the account balances. It is understood that parents are responsible to keep track of the meal accounts of their children; however, as a courtesy the lunch clerk will send a printed reminder home should a student's account balance reach zero. A maximum of five (5) charges is permitted. After the fifth charge the parent or guardian must provide a home lunch for the child until the meal account is paid. (Families in financial crisis may qualify for the State's "Free & Reduced Student Lunch Program." Inquiries may be made to the Elementary Lunch Clerk.)

Closed Campus

The Elementary School maintains a closed campus policy. Except for special prearranged outings, all students are required to stay on the school grounds at all times. Elementary students are to eat lunch in the cafeteria. Students are permitted to go off campus during the lunch period only if their parents or teachers request and receive permission from the office to do so.

Parents or visitors are not allowed in the cafeteria or on the playground.

Many families find it easier to budget and account for the money they spend on their child's school meals by making scheduled lunch account deposits with the School Lunch Clerk. The following deposit options are available:

| | Elementary | | | JH & HS | | |
|------------|----------------|------------|-------------------|----------------|------------|-------------------|
| | Breakfast Only | Lunch Only | Breakfast & Lunch | Breakfast Only | Lunch Only | Breakfast & Lunch |
| Daily | \$2.00 | \$3.35 | \$5.35 | \$2.25 | \$3.60 | \$5.85 |

| Four Weeks | \$40.00 | \$67.00 | \$107.00 | \$45.00 | \$72.00 | \$117.00 |
| Semester | \$164.00 | \$274.70 | \$538.70 | \$184.50 | \$295.20 | \$479.70 |
| Yearly | \$328.00 | \$549.40 | \$877.40 | \$369.00 | \$590.40 | \$959.40 |

No charges are allowed after the third Wednesday in April. Students must have money in their account to eat a school lunch starting on that date.

If a student leaves the school district without requesting a refund, the money (\$3.00 or less) will be donated to the Child Nutrition Program. If the amount is more than \$3.00, the money will be forwarded to the last known address of the student. If the envelope is returned unopened, the money will be treated as a donation to the Child Nutrition Program.

Disclaimer: Prices are subject to change when the Child Nutrition rates change.

Change of Information

It is of utmost importance that the school is notified throughout the year of any changes in pertinent information, such as address, home phone numbers, cell phone numbers, work phone numbers, and emergency contacts. In the event of an illness or emergency, current information is vital. Please contact the school office any time information changes.

- The parent/guardian must fill out a new enrollment sheet to include updated information. Please contact your school to obtain the appropriate document.
- Proof of residency must be provided with address changes.
- The parent/guardian can update a phone number or email over the phone.

Cheating

Cheating is defined as dishonestly giving or receiving aid or information on any test or assignment. If a student is caught cheating on a test or other classroom work, zeros may be given to the students involved. No provisions are made to make up or otherwise receive credit for the work or test in question. Parents may be notified. See the last section of this student handbook titled Student Disciplinary Point System for point values.

Concussion & Head Injury Policy

Any athlete suspected of having a head injury and removed from practice or competition by a coach or administrator of Verdigris Public Schools may not return to practice or competition until a written document is provided stating that the student-athlete has been examined and is released to participate from one of the following licensed health care providers trained in the evaluation and management of concussions: Doctor of Medicine (M.D.); Doctor of Osteopathic Medicine (D.O.); Nurse Practitioner (NP); or Physician Assistant (PA).

Contraband/Confiscated Items

Confiscated items may be picked-up by the parent/guardian, at the discretion of the Administration. Items which are deemed to be weapons, hazards, illegal, etc. will NOT be returned. This includes, but is not limited to: knives, lasers, tasers, sharpened objects, illegal substances, alcohol, and other such items. See the last section of this student handbook titled Student Disciplinary Point System for point values. Administrative choice will be used. Verdigris Public Schools, its faculty, staff and employees assume no responsibility nor liability for lost, misplaced, or stolen items.

Corridor (Hallway) Courtesy

Always walk in an orderly and courteous manner. Keep corridors open to traffic by walking to the right and on the third tile observing appropriate physical distancing. Pass through the hallways quietly. Be considerate of others in the halls and classrooms. **DO NOT RUN IN THE BUILDING.** Students are to leave the school buildings within 15 minutes after dismissal unless under the supervision of a teacher and are not to loiter in the hallways.

Crisis Plans

Should an emergency or disaster situation arise while school is in session, Verdigris Schools has made preparations to respond effectively to such situations and to care for all students. The district has a detailed emergency operations plan which has been developed with the assistance of our police and fire departments to respond to a variety of issues including a major catastrophe. During an emergency crisis, the District will do everything it can to protect your student and to communicate with all parents as quickly as possible.

In a crisis, a parent/guardian's first instinct is often to call the school or come to the school to get their child. This is not in the best interests of you or your student. Our focus will be on the immediate safety needs of students and staff. District staff will not be able to work with individual parent/guardian calls and concerns.

Parent/Guardian Instructions During an Emergency: To assist us in dealing with an emergency crisis as efficiently and effectively as possible, please read and cooperate with the following instructions carefully:

1. Please do not telephone the school and tie up lines needed for emergency communication.
2. Please do not come to the school during an emergency or crisis.
3. During an emergency, we must know where every student is at all times and students will be kept at their school until the emergency passes and it is safe. Once it is safe, students will be dismissed using the normal transportation and dismissal procedures or parents and guardians will be allowed to pick them up. Students will be released only to their parents or guardians.
4. The District may notify the media of the situation and use them to pass on parent/guardian information and instructions.
5. The District may use an automated phone system to call all parents/guardians with information. To ensure that you receive such a phone call, please make sure that the school has your current phone number on record.
6. Please discuss these matters with your student and immediate family and plan ahead to understand what you should do during an emergency. Impress upon your student the need for them to remain at school and to follow the directions of school personnel in times of an emergency crisis.

Transportation:

The decision to cancel school, change the time school starts or ends, or keep students at school will be based upon the nature of the emergency crisis including the time of day, the weather, and the ability to transport students.

If an event takes place while students are being transported which limits further transportation (for example, emergency siren goes off or roads are closed), students already on the bus will remain under the supervision of the driver and school staff. The driver will communicate with bus and district personnel. Bus drivers will make every attempt to deliver students to their bus

stops safely and may have to take students to the nearest school to be housed safely. On the way to school, any student not yet on the bus remains the responsibility of the parent or guardian.

Hazardous Release (Chemical Spill) near the school:

Shelter-in-place procedures will be implemented. All students and staff will move inside and report to their rooms. Efforts will be made to prevent outside air from entering classrooms. Students arriving at school during the event will report to the school office or a designated area because classrooms will be inaccessible.

Lockdown:

No one will be allowed in or out of the school site. Students and staff will be held in a secure area.

The police will have control of the site and will control all access. When the incident is over, an “All Clear” signal will be given.

Discipline Policy & Student Conduct

Rules and Regulations:

The role of education is too important to our society to allow disruptive influences to hinder our students’ educational opportunities. In general, students who have reached this age level are old enough to learn that with all privileges come certain responsibilities. They also begin to understand that self-discipline is the best discipline. Administrators will follow the approved Disciplinary Point System in deciding consequences for discipline offenses (pages 34-35).

“The teacher of a student attending a public school shall have the same right of the parent to control and discipline such a student during the time a child is in attendance or in transit to the school or classroom presided over by the teachers”(Article VI Section 114, School Laws of Oklahoma.)

It is granted that there are some students who do not want to attend school. These students quite often become problems to themselves and the school. A proper educational atmosphere is too important to allow the attendance of those who do not obey the rules. If they choose to attend but do not comply with the rules they must be removed from the setting to ensure a proper educational atmosphere. After a student has repeatedly demonstrated that he/she is unwilling to cooperate with other students, his/her teachers and the administration, he/she will have left no alternative other than suspension from school.

It is the philosophy of Verdigris Public Schools that no student should be permanently suspended from school until every available means has been exhausted in trying to teach the student compliance with the rules and regulations of the school and society. However, it is not fair to the student body or faculty to force upon them anyone who chooses to disrupt the normal learning environment in the school building.

The goal of Verdigris Public Schools discipline policy is to make our students’ environment one that is conducive to learning, so that they may learn the academic and social skills necessary to develop into mature, responsible students and adults.

The Student Code of Conduct is The Golden Rule: “Do unto others as you would have them do unto you.”

It is the school’s intent to provide an orderly school climate that will foster the maximum academic learning time possible for each student. The **Golden Rule** is the Student Code of Conduct for elementary students. It is designed to maintain a quality educational environment for all students in the school setting. The district’s expectations of student conduct are described in the code. The code also specifies the consequences for violations of those expectations. It is the district’s intent to provide positive incentives that will promote adherence to the Student Code of Conduct.

Each student has a responsibility to try to achieve the progress necessary for academic enrichment and, correspondingly, to refrain from any disruptive behavior in the classroom or other areas under school control. Students not willing to conform in these areas shall be subject to appropriate consequences determined by the principal.

Student Responsibilities:

- **Keep the Golden Rule.**
- Be respectful of the flags of Oklahoma and America and when reciting the Pledge of Allegiance.
- Be respectful and polite towards adults and classmates.
- Practice honesty in what you do and say.
- Practice responsibility for your actions.

- Attend school regularly and punctually.
- Keep hands, feet and objects to yourself.
- **Do Not Bully and Do Not Fight.**
- Be self-controlled, appropriately quiet and non-disruptive in classrooms, hallways, study areas, school buses, on school property, and at school activities.
- Do not possess or carry tobacco, intoxicating substances, or weapons of any kind
- Dress in a fashion that will not disrupt classroom procedures.
- Do not bring chewing gum to school.
- Remember to leave toys, candy, electronic games etc. at home. The exception would be items requested by your teacher and with parent's permission.
- Keep your language and gestures respectful and free of profanity or obscenities.
- Come to class prepared to learn with all supplies, materials, books, and assignments needed to function effectively in class.
- Respect private, public, and school property.
- Know and obey the rules of the school.
- Remain on the school grounds during school hours.

Parent Responsibilities:

Comply with the Oklahoma School Law which holds the parent or guardian responsible for making their student:

1. attend school and
2. comply with the rules

Oklahoma School Law, Section 229 70-10-105): "A. It shall be unlawful for a parent, guardian, custodian or other person having control of a child who is over the age of five (5) years and under the age of eighteen (18) years, and who has not finished four (4) years of high school work to neglect or refuse to cause or compel such child to attend and comply with the rules of some public, private or other school, unless other means of education are provided for the full term the schools of the district are in session; and it shall be unlawful for any child who is over the age of twelve (12) years and under the age of eighteen (18) years, and who has not finished four (4) years of high school work, to neglect or refuse to attend and comply with the rules of some public, private or other school, or receive an education by other means for the full term the schools of the district are in session."

Keep the school informed of all conditions that may affect the student while in school.

Teacher Responsibilities:

The teacher shall assume primary responsibility for maintaining classroom discipline according to regulations established by the school administration as set forth in this discipline policy; using their educational background and training to devise and utilize remedies available. Suggested steps:

1. Identify the specific problem.
2. Assess the causes of the deviant behavior.
3. Plan strategy for adjusting behavior.
4. Implement a plan for adjusting behavior.
5. Evaluate the results.

If the steps above are ineffective, then the teacher should consult the principal.

Whenever it appears to a teacher that a student may be under the influence of any alcoholic beverage or controlled dangerous substance, that teacher shall report the matter to the principal.

Principal Responsibilities:

The principal shall see that proper control is maintained in accordance with Oklahoma School Law and policies of the Board of Education. The principal shall become involved in disciplinary matters when the teacher feels that all disciplinary alternatives have been exhausted. When a teacher reports that a student may be under the influence of an alcoholic beverage or controlled dangerous substance or may be in the possession of a weapon, the principal shall immediately notify the Superintendent of Schools as well as the parent or legal guardian of the suspected student. The Disciplinary Point System will be used in tracking behavior(s) and in deciding consequences. Disciplinary points are accumulative. See the last section of this student handbook titled Student Disciplinary Point System for point values.

The Principal's primary responsibility is to ensure that every child's right to learn in a safe, effective, and orderly school is protected.

Disciplinary Consequences:

The discipline strategies for an elementary student violating the Student Code of Conduct will be considered in collaboration with the student's parents or guardian. The teacher and ultimately the building Principal will use professional discretion, taking school policy into account to determine the nature and severity of the disciplinary consequence. It is the school's intent to consider each student in a fair, appropriate, and consistent manner. The Disciplinary Point System will be used in tracking behavior(s) and in deciding consequences as often as possible. Points do accumulate. The Disciplinary Point System is not all encompassing and there may be situations that arise that are not specifically addressed or the severity of the offense does not match the stated consequence on the point system, in these cases, the disciplinary action will be at the discretion of the administration.

Possible Disciplinary Alternatives:

1. Positive reinforcement
2. Counseling
3. Seating change
4. Warn student
5. Verbal reprimand
6. Advise parents
7. Remove from class or group
8. Parental conference
9. Lunch detention
10. Extended school day detention (Transportation provided by student)
11. Financial restitution
12. Loss of Privileges
13. Isolation from classmates

19. Out of School Suspension (sent home, cannot attend any school events, and requires due process procedures described in school board policy)

Disciplinary options 1-18 are not considered to be Out-of-School Suspensions and do not require or involve due process procedures described in school board policy.

Detentions: Students must bring schoolwork to complete during detention.

Lunch/Recess Detention: Time will be served during student's lunch and/or by walking laps at recess time.

After School Detention: Students will have the opportunity to call/notify parents/guardians about the detention. Parents/guardians are responsible for transportation of the student. Failure to attend detention on the assigned day may result in In-School Intervention or Out of School Suspension. This consequence may be assigned by the Principal after investigating the incident, considering the teacher's recommendation, interviewing the student, and discussing the event with the student's parent/guardian.

In-School Intervention (ISI): Students will report to the office to be isolated from the main flow of the student population. The student's arrival time for ISI will be determined by the classroom teacher and/or the building principal. Students will receive credit for the class work that has been completed while in ISI. Students will eat lunch on an alternate lunch schedule or bring their home lunch when in ISI. In-School Intervention is the last alternative prior to Out of School Suspension.

Out of School Suspension: Suspension is designed to remove the student from the school for his/her benefit and/or the benefit of the general school population. Students may be excluded from school for the current semester and the succeeding semester for acts of violence, drug/alcohol possession, weapons, or other offenses as defined by statute or by law. Students who are placed in Out of School Suspension are not permitted to come on campus until they are reinstated unless they have

special permission from the administrator who suspended them. Students who are placed in Out of School Suspension are not permitted to attend, practice for, or participate in any school activities. The length of suspension may increase with each violation. The severity of the violation may increase the length of suspension. This section complies with **Section 488.2/489 Oklahoma State School Law, Pupils – Dangerous Weapon - Dangerous Substances**.

School Laws of Oklahoma Article XXIV, section 488.2, C.

The constitutional rights of individuals assure them the protection of due process of law; therefore, this system of constitutionally and legally sound procedures is approved with regard to the administration of discipline in Verdigris Public Schools.

Dress Code

Verdigris Public Schools takes pride in the appearance of its students. Student dress reflects the quality of the school, of student conduct and of student schoolwork. Generally, students should regard neatness and cleanliness in grooming and clothing as important. Dress or grooming which is in any way disruptive to the operation of the school will not be permitted. All students are expected to dress and groom themselves neatly in clothes that are suitable for school activities. The principal, in conjunction with sponsors, coaches, or other persons in charge of extracurricular activities, may regulate dress and grooming of students who participate in a particular activity if the principal reasonably believes that the student's dress or grooming creates a hazard, or may prevent, interfere with, or adversely affect the purpose, direction or effort required for the activity to achieve its goals. All garments must be of a length and fit that are suitable to the build and stature of the student. At the elementary level, the age and development ("growth spurt") of the student are considered when interpreting the school district's dress code. Dress Code applies to all school events on and off campus (field trips, dances, etc.)

Students will not be allowed in class if their attire violates the dress code. Students will be reported to the office and be given an opportunity to correct the offense. If it cannot be corrected at that point, the student will report to ISI for the remainder of the day and remain until the issue can be corrected and may be sent home if there have been multiple dress code violations. THIS PUBLICATION IS THE FIRST NOTICE. Dress Code falls under Level 1 of discipline.

Hazing

It is the policy of this school district, that no student or employee of the district shall participate in or be members of any secret fraternity or secret organization that is in any degree related to the school or to a school activity. "Endanger the physical health" shall include, but is not limited to, any brutality of a physical nature, such as whipping; beating; branding; forced calisthenics, exposure to the elements; forced consumption of any food, alcoholic beverage, drug, or controlled dangerous substance; or other forced physical activity which could adversely affect the physical health or safety of the individual.

"Endanger the mental health" shall include any activity except those activities authorized by law, which would subject the individual to extreme mental stress, such as prolonged sleep deprivation, forced prolonged exclusion from social contact, forced conduct which could result in extreme embarrassment, or any other forced activity which could adversely affect the mental health or dignity of the individual.

Any hazing activity upon which the initiation or admission into or affiliation with an organization sanctioned or authorized by the board of education is conditioned, directly or indirectly, shall be presumed to be a forced activity, even if the student willingly participates in such activity.

This policy is not intended to deprive school district authorities from taking necessary or appropriate disciplinary action toward any student or employee. Students or employees who violate this policy will be subject to disciplinary action that may include suspension for students and employment termination for employees.

Head Lice Policy

Verdigris Public Schools, in compliance with Section 815 of Oklahoma School Law, may prohibit any student from attending classes or participating in school sponsored activities until such time as the student is free of head lice and nits.

Any student prohibited from attending school due to head lice shall present to the appropriate school authority, before the student may re-enter school, certification from a health professional as defined by Section 2601 of Title 63 of the Oklahoma

Statutes or an authorized representative of the State Department of Health that the student is no longer afflicted with head lice, and be subject to a head check by school personnel before returning to class.

Illness

The Superintendent, school principal, teacher, school nurse or other official in charge of any school may **EXCLUDE ANY STUDENT EXHIBITING THE FOLLOWING SYMPTOMS:**

- fever
- sore throat or tonsillitis
- any eruption of the skin, or rash
- any nasal discharge accompanied by fever
- a severe cough, productive sputum
- any inflammation of the eyes or eyelids
- diarrhea
- vomiting

Parents should:

- Not send children to school when they are ill
- Keep the school office informed as to any changes in your address, phone number, parents' employment, emergency contact, or medical information. This could be crucial in time of an emergency.
- Keep the school informed of any highly contagious diseases.
- See rules located under "Medicine."

These guidelines may change based on the recommendations of the Oklahoma Health Department and/or the Centers for Disease Control and Prevention.

Immunizations

In order to comply with the Oklahoma School Immunization Law, no student may attend Verdigris Public Schools unless the parent or guardian presents to the appropriate school authorities certification from a licensed physician, or the appropriate public health authorities that such student has received or is in the process of receiving the immunizations required by the Oklahoma State Health Department.

Exemptions from the immunization requirements are authorized in the law for medical, religious, and personal reasons.

1. Medical: A parent/guardian may submit to the school authority a certificate signed by a licensed physician stating that the physical condition of the student is such that the immunization would endanger the life or health of the student and thus be exempted from the immunization requirements.
2. Religious: The parent/guardian must present a signed written statement briefly summarizing his/her objections.
3. Personal: The parent/guardian must present a Certificate of Exemption complete with a brief statement summarizing his/her objections to immunizations on philosophical grounds. Lost or unobtainable immunization records are not grounds for personal exemptions.

Students not immunized and attending school on the basis of an exemption due to medical contraindications, religious, or personal objections to immunizations are at high risk for disease infection if exposed. For their protection and for the protection of the community, these students may be excluded from school for the duration of any outbreak of vaccine-preventable disease. Students may be given credit for make-up work.

Meningococcal Disease

Meningococcal disease is a serious illness, caused by bacteria. It is the leading cause of bacterial meningitis in children 2-18 years old in the United States. Meningitis is an infection of the brain and spinal cord coverings. Meningococcal disease can also cause blood infections. Meningococcal vaccine is required for students who are enrolling for the first time in colleges and post-high school educational programs and who will live in dormitories or on-campus student housing. This vaccine is not required for children in elementary or high school in Oklahoma, even though it is recommended for all adolescents 11 years and older. Information for Meningococcal disease is provided in the student enrollment packet. For more information, contact your healthcare provider or local county health department or visit these websites: National Meningitis Association at www.nmaus.org Centers for Disease Control and Prevention at <http://www.cdc.gov/meningitis/index.html>

Internet Use

All policies assigned by the Verdigris School District apply to the use of any computer device. Each student is to sign a computer use agreement and have it on file.

Lockers/Cubbies

Lockers, hooks, or cubbies in the Elementary School are assigned to each student at the beginning of school. The school is not responsible for items lost or stolen from these units.

Lost & Found

The Elementary School office will coordinate all lost and found articles. Articles are subject to donation to local charities 10 days after each quarter. The Elementary School maintains a lost and found box in the office area.

Medication

Medication will be given to a student only with written permission of the parent or guardian. New permission forms must be filled out each year. All medications will be administered through the office. Prescriptive medication may be given with a Medication Consent Form, which contains the name of the medication, amount to be given, time to be given, date of parent/guardian request and parent/guardian signature. In addition, the prescription medication must be in a prescription vial, which correctly states the name of the patient, the name of the physician and directions for administering the medication.

Parents/guardians must transport student medicines to and from school. AT NO TIME SHOULD MEDICINES BE ON A SCHOOL BUS OR IN A STUDENT'S BACKPACK. Parents/guardians must pick up medicines at the end of the school year, or the medicines will be disposed of by school personnel.

Nonprescription medication which must be administered for a prolonged period of time (more than ten days) must be authorized by a physician in writing. Understand that in no event will nonprescription medication be given to a student without written permission. The necessary authorization and medication must be delivered to the school office. In an emergency, medication can be authorized by the parent/guardian or medical provider over the phone.

Our school policy FFACD states: Students whose medical condition requires the use of medical marijuana are allowed to access and utilize marijuana in accordance with the law. School personnel are not legally permitted to administer medical marijuana to students. Any student requiring the use of medical marijuana must do so off of school premises. Upon arriving at school, the caregiver will follow district protocol with regard to check in and departure. There will be no smoking on school premises of any substance 24/7 in accordance with the state's no smoking act. At no time will marijuana be grown or stored on school premises.

If a student has a condition that requires emergency medication (inhalers, EpiPen, seizure medication, etc.) be kept on site, an appropriate action plan and medical form must be completed. Self-administration of medication (i.e., inhalers, insulin) by a

student will be permitted as per the written request of the physician, and completion of appropriate permission forms. Self-administration will be under the supervision of the school nurse or designee.

Students complaining of feeling ill during the school day will be sent to the office. If a student is ill and/or running a fever and must go home, the office will call the parent or guardian and the student will await their parent or guardian to check them out. If the procedure is not followed and the student leaves without properly checking out, the student will be given an unexcused absence for classes missed.

Oklahoma law provides that the school nurse, administrator, or other designated school employee shall not be liable to the student or parent or guardian of the student for civil damages or any personal injuries to the student which result from acts or omissions of the school nurse, administrator, or the designated school employee in administering any medicine pursuant to the provision of the law, except for acts of omissions constituting gross, willful, or wanton negligence.

Messages to Students

With the exception of emergencies, all messages will be delivered to the office to be delivered to the classroom during a non-instructional time. All messages need to be received by the Elementary Office by 2:30 PM in order to route them to students before dismissal routines begin. Any messages received after 2:30 PM may not be in time to be routed to a student or a teacher.

Minute of Silence-SB 815

It is the policy of Verdigris Public Schools that students be allowed to observe approximately one minute of silence each day for the purpose of allowing each student, in the exercise of his or her individual choice, to reflect, meditate, pray, or engage in any other silent activity that does not interfere with, distract, or impede other students in the exercise of their individual choices.

Open Records Act (Directory Information)

Oklahoma has a law known as the OKLAHOMA OPEN RECORDS ACT that requires the school district to provide public access to certain personally identifiable information from the education records of students for any purpose, including

commercial use. The type of identifiable information required to be released under the law is known as “Directory Information.” Verdigris Public Schools has created a limited directory information policy and will not fulfill directory information requests for commercial purposes or for marketing purposes. The school district has designated the following personally identifiable information contained in a student’s education record as “Directory Information”: a student’s name, address, and telephone listing.

If you choose to “opt out” you must send a written notice within thirty (30) days from the beginning of the current school year to: Mike Payne, Superintendent, Verdigris Public Schools, 26501 S. 4110 Rd., Claremore, OK 74019.

Parents/Guardians Right To Know

Verdigris Public Schools shall provide to the parents or guardian of any student upon request and in a timely manner the following information regarding the professional qualifications of the student’s classroom teachers, including at a minimum, the following:

The Upper Elementary parent and staff parking lot is located on the South-East side of the Upper Elementary. The Early Childhood Development Center (ECDC) parking is located both on the West side (inside the loop) and directly across the street.

Parents/guardians need to walk their student to the door if the student gets out in a parking lot. **Drop off is only allowed in front of the buildings where there are adults to supervise during drop off times.**

Exiting from the ECDC is the only time cars are allowed to drive through the Overflow Elementary Walk-In Parking lot.

Plagiarism

All elementary students will follow the academic honesty policy. At Verdigris Schools our students' ethical and academic development is essential for a quality education.

To plagiarize is defined as "to steal and pass off (the ideas and/or words of another) as one's own: use (a created production) without crediting the source: to commit literary theft: present as new and original an idea or product derived from an existing source." The Modern Language Association of America's MLA Handbook for Writers of Research papers (6th edition) states, "Plagiarism involves two kinds of wrongs. Using another person's ideas, information, or expressions without acknowledging that person's work constitutes intellectual theft. Passing off another person's ideas, information, or expressions as your own to get a better grade or gain some other advantage constitutes fraud."

Profanity & Inappropriate Gestures

Profanity, rudeness, and inappropriate behavior, language or gestures will be considered disruptive to the learning environment. These actions are subject to disciplinary action at the discretion of the principal, teaching staff, school employees, and substitute teachers.

Proficiency Based Promotion

Upon the request of a student, parent, or guardian, a student will be given the opportunity to demonstrate proficiency in one or more areas of the core curriculum. Students under the age of sixteen must have written parent/guardian permission for proficiency assessment. Proficiency will be demonstrated through criterion referenced testing. Additionally, credit for laboratory sciences will require that students are able to perform relevant laboratory techniques. Credit for other courses may require portfolios, or demonstrations, which reflect proficiency, required for credit in those courses.

Students who are legally enrolled in the Verdigris Public Schools are qualified to demonstrate proficiency in the following core areas identified by Oklahoma School Law:

Social Studies
Language Arts
The Arts

Languages
Mathematics
Science

Proficiency assessment will be offered by arrangement during the summer. The application can be obtained from the principal and is due at least five working days prior to testing dates. A copy of this policy is available for review in the office.

Retention of Students

It is the professional obligation of teachers to recommend the retention of a student at the present grade level or not pass a course, if it is determined the student will benefit from repeating that year or that course of study as provided for in House Bill 1056, passed in the 1995 Legislative session. HB.1056 also provides that should a teacher recommend that a student be retained at the present grade level or not passed in a course of study, the parent or guardian may appeal the decision through the district's appeal process. Guidance through the appeals process begins with a conference with the building principal.

School Activities

After school activities are considered an extension of the school day. All rules, regulations, and policies will be enforced. (This includes Dress Code). Participation in school activities is a privilege, not a right.

School Messages

School closings, emergency information, upcoming events and reminder phone calls and/or emails are used by the district. Please make sure your information is up to date with the office to ensure you get notifications.

School Property

Students and their parents will be held responsible for any damages to school property, equipment, textbooks, furniture, and building as stated. This also includes any areas of transportation.

School Security & Safety

Teachers are in the hall during passing periods.

Teachers are assigned to halls, lunchroom, and parking lot for supervisory duty before school, lunch and recess, and after school. Teachers have been directed by their building principal to be at these duty stations to help facilitate safety and security measures in their respective areas. **Please be understanding when teachers must end impromptu parent conferences or conversations in order to be at their duty station on time.**

Principals patrol halls, campus, parking lots and buildings periodically.

All visitors must sign in through the Elementary School offices and obtain a visitors' badge to be worn at all times while on the elementary campus. Only visitors with a scheduled appointment will be allowed in the building and must go through screening procedures. Reserve police officers or school security personnel are on duty during home athletic events.

All school sponsored activities, games, and events are supervised by school personnel.

If students leave the building during dances or sporting events, they may not return.

During a tornado warning while the students are in the shelter, they will not be signed out to leave.

During a Lock-Down the students will not be signed out to leave.

Use of Student Information/Pictures

Verdigris Schools provides an Internet Website for the publication of news, events, and other data. No student's photograph will be identified with the name of the student without the express, written consent of the parent or legal guardian of the student. No personal information about students, i.e., address, phone number, etc. will be published under any circumstances. Parents or guardians will be provided with a "Release for Photographic Images on the Internet" form at the beginning of each school year to sign and return to the school office. Parents may rescind approval for publication of the photo and accompanying identification of their student for publication on the Verdigris Schools Internet Website at any time. This form will also have permission for the photo to appear in the newspaper and yearbook.

Screening

Notice to Parents Regarding Child Identification, Location, Screening, & Evaluation

This notice is to inform parents/guardians of the child identification, location screening, and evaluation activities to be conducted throughout the year by the local school district in coordination with Oklahoma State Department of Education. Personally identifiable information shall be collected and maintained in a confidential manner in carrying out the following activities:

Preschool children ages 3 through 5 and students enrolled in K-12 who are suspected of having disabilities which may require special and related services may be referred for screening and evaluation through the local schools. Local school districts and the Regional Education Service Centers coordinate with the Sooner Start Early Intervention Program in early intervention services from birth through 2 years of age or for special education and related services beginning at 3 years of age. The Oklahoma Area-wide Service Information System (OASIS), through a toll free number (1-800-42-OASIS), also provides statewide information and referrals to local schools and other service providers.

Screening

Screening activities may include vision, hearing, and health. Other screening activities may include: review of records and educational history, interviews, observations, and specially developed readiness or educational screening instruments.

1. Readiness Screening

- Personally identifiable information is collected on students participating in readiness screenings to assess readiness for kindergarten and first grade entry. Results of the screening are made available to parents or legal guardians, teachers, and school administrators.

2. Educational Screening

- Educational screening includes procedures for the identification of children who may have special learning needs and may be eligible for special education and related services. Each school district in the state provides educational screening. No child shall be educationally screened whose parent or legal guardian has filed a written objection with the local school district.

Evaluation

Evaluation means procedures used in accordance with Federal laws and regulation to determine whether a child has a disability and the nature and extent of the special education and related services that the child needs. The term means procedures used selectively with an individual child and does not include basic tests administered or procedures used with all children in a school, grade, or class. Written consent of the parent or legal guardian for such evaluation must be on file with the local school district prior to any child receiving an initial evaluation for special education and related services purposes.

Search & Seizure

The Supreme Court of the United States has ruled that students, their locker, and the automobiles that transport them are subject to search by school officials. The search will be based on probable cause for drugs, weapons, stolen items, etc. Verdigris Public Schools permits Detection Canines to search all areas of our campuses for illegal drugs, alcohol, and weapons. This may include any vehicles parked on campus. Students have no reasonable expectation of privacy rights in the contents of backpacks, gym bags, school lockers, desks, and other school property.

Special Services

If your child receives outside services, please let the office and your child's teacher know.

Strong Readers Act as Per State Statute 70-1210.508B-F and SB362

On July 1, 2024, SB362 went into effect that defined multiple changes to Oklahoma's Early Literacy Law. The Strong Readers Act (formerly known as the Reading Sufficiency Act, or RSA) outlines literacy requirements for students beginning in kindergarten.

The Strong Readers Act Purpose

70 O.S. 1210.508B(B)

The Strong Readers Act aims to strengthen literacy among Oklahoma's students by integrating reading proficiency into the criteria for grade progression, ensuring appropriate instructional support, and maintaining clear communication with families about student progress.

Assessment Requirements

- Every student in kindergarten, first, second and third grades shall be assessed at the beginning, middle, and end of each school year for the acquisition of reading skills (phonics, phonemic awareness, vocabulary, comprehension, and reading fluency) for the grade level in which enrolled with a screening assessment approved by the State Board of Education.
- Each student who does not meet the grade-level target on the beginning of the year screener must be screened for risk of characteristics of dyslexia.
- Any student assessed and found not to be meeting grade-level targets shall be provided a Student Literacy Intervention Plan (SLIP) designed to enable the students to acquire the appropriate reading skills.
- Any student who does not meet the grade-level target on the screener should be given a diagnostic assessment to determine the focus of the intervention and support that will be provided.
- Students that are on a Student Literacy Intervention Plan (SLIP) should be given progress monitoring assessments regularly. Recommended frequency: Tier2-monthly, Tier 3-weekly.

Exemptions

70 O.S. 1210.508C(C)

Exemptions to the provisions of the Strong Readers Act may be provided for students who meet at least one of the following criteria.

- The student participates in the Oklahoma Alternate Assessment Program (OAAP), as indicated on the Individual Education Program (IEP), and is taught using alternate methods.
- The student's primary expressive or receptive communication is sign language.
- The student's primary form of written or read text is Braille.
- The student's primary expressive or receptive language is not English, the student is identified as an English learner using a state-approved identification assessment, AND the student has had less than one (1) school year of instruction in an English-learner program.

Decisions to exempt a student should be made with the IEP team or an EL teacher working with the student. Documentation is required and should remain in the student's permanent record. Documentation will cover the student through 3rd grade, with the exception of the EL exemption, which only applies for the current year. Schools that grant exemptions shall provide ongoing evidence of student progression toward goals with the same frequency as the administration of screening assessments.

Reading Proficiency

70 O.S. 1210.508C(F)

Students who demonstrate proficiency (at or above the 60th percentile on national norms during one of the benchmark windows of the current year) on an approved screener will not require a SLIP. The district will provide notification to the family that the student has satisfied the requirements of the Strong Readers Act. Monitoring will continue to ensure that the student remains proficient. A copy of the notice will remain in the student's cumulative folder.

- Strategies for parents to use in helping their child succeed in reading proficiency
- Free online evidence-based literacy instruction resources to support the student's literacy development at home.

Characteristics of Dyslexia

If a student was screened for characteristics of dyslexia, inform families of the results within 15 days of the close of the dyslexia screening window.

Families of students who are at-risk for the characteristics of dyslexia should also receive the following:

- Information on the characteristics of dyslexia
- Resources for additional information on dyslexia. Sample information sheet can be found on the Strong Readers for Schools website <https://sde.ok.gov/strong-readers-schools>.

Summer School

70 O.S. 1210.508E

A student who is not meeting grade-level targets may, after consultation of the teacher with the family, be recommended for summer school. The summer school program should incorporate the content of a scientifically researched -based program and be taught by trained and qualified teachers.

Retention

Retention was removed from Oklahoma's Early Literacy Law by SB 362. Retention is based on district policy.

Verdigris Public Schools has a student management system that will assist with the management of all student records. This system is in compliance with all regulations required by law. Parents/guardians will have access to some of their students' records via the internet. Access to these records will be based upon a secured password that will allow parents/guardians to access only the records for their students. Additional information concerning access will be made available.

Telephone

Students will **not** be called from class for phone calls except in the case of an emergency. Parents/guardians are asked not to call students at school unless it is absolutely necessary. Students are not allowed to use the office phone without the permission of office personnel.

Textbooks

Textbooks are furnished by the state and are issued at the beginning of the school year. Students who lose or damage a textbook while it is checked out to them will be expected to pay for it. The amount of the charge will be determined by the amount of damage to the textbook.

Title I

Verdigris Lower and Upper Elementary are Title I Targeted schools. The school receives additional federal money based on the Child Nutrition Free and Reduced Meal forms to ensure those students most at-risk receive help in reading and math.
